Asheville Area

Work by Nancy Graves

Asheville Art Museum, 2 South Pack Square at Pack Place, Asheville. **The Van Winkle Law Firm Gallery, Through Jan. 10, 2022** - "A Dance of Images and Words: The Nancy Graves/Pedro Cuperman Tango Portfolio," features a series of eight intaglio prints that depict plants and animals alongside eleven sheets of prose that explore the steps of the Argentinian dance, the tango. Organized by the Asheville Art Museum from the Museum's Collection and curated by Hilary Schroeder, assistant curator. The common idiom "it takes two to tango" is immediately called into question in both the imagery and words of the Tango portfolio. The portfolio is an expression of artist Nancy Graves (Pittsfield, MA 1939-1995 New York, NY) writer Pedro Cuperman's (1936-2016 Buenos Aires, Argentina) meditations on the dance. Their imagery and words become paired in an illustrated book though their explorations take different formats and directions. **Appleby Foundation Exhibition Hall, Through Mar. 14, 2022** - "Ruminations on Memory," contends with the act of remembrance and reflection, featuring a rare presentation of all nine prints from Robert Rauschenberg's "Ruminations" portfolio, Judy Chicago's "Retrospective in a Box" portfolio, and selections from the Museum's Collection. Organized by the Asheville Art Museum and curated by Hilary Schroeder, assistant curator. Artworks are vessels for processing, recalling, and reflecting on the past. Artists often draw upon materials from their own pasts and grasp at fleeting moments in time in the creation of an object. For the viewer, observation of an artwork can draw out personal memories. **Through Mar. 14, 2022** - "A Living Language: Cherokee Syllabary and Contemporary Art," features over 50 works of art in a variety of media by 30+ Eastern Band of Cherokee Indians (EBCI) and Cherokee Nation artists. The exhibition highlights the use of the written Cherokee language, a syllabary developed by Cherokee innovator Sequoyah (circa 1776-1843). Cherokee syllabary is frequently found in the work of Cherokee artists as a compositional element or the subject matter of the work itself. **Judith S. Moore Gallery, Through Jan. 17, 2022** - "Huffman Gifts of Contemporary Southern Folk Art". Allen & Barry Huffman have been collecting contemporary Southern folk art for the past 40 years. Both collectors are originally from the South, and their journey together has led them around the southeastern United States, from Florida to Alabama to their hometown of Hickory, NC. In each place, they formed bonds with regional artists and learned first-hand the narratives of each artwork. Within their collection are subsets of folk art including self-taught artists driven to share their messages, crafts for the tourist market, and Southern pottery. The guiding principle evident throughout their collection and the generous donation of contemporary Southern folk art that they've gifted to the Asheville Art Museum is the story told by each of these artists through their artworks. This exhibition is organized by the Asheville Art Museum and curated by Whitney Richardson, associate curator. **Explore Asheville Exhibition Hall, Through Jan. 24, 2022** - "Gestures: Mid-Century Abstraction from the Collection," explores works in a variety of media that speak to the vibrant abstract experiments in American art making during the middle of the 20th century. **Through Jan. 24, 2022** - "Modernist Design at Black Mountain
